**SEPTEMBER 30, 2022 AND 2021**

**NOTE A – DESCRIPTION OF ORGANIZATION**

The Lupus Foundation of America, Greater Ohio Chapter, Inc. (the “Lupus Foundation - Ohio”) is an Ohio not-for-profit corporation established in 1982. The Lupus Foundation - Ohio’s mission is dedicated to improving the quality of life for all people affected by lupus through programs of research, education, and advocacy.

The Lupus Foundation - Ohio is tax exempt under Internal Revenue Service Code Section 501(c)(3).

**NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

General Methods

The accompanying financial statements have been prepared as prescribed in the American Institute of Certified Public Accountants' Guide for Not-For-Profit Organizations.

Accrual Basis

The Lupus Foundation - Ohio records transactions on an accrual basis. Revenue (if any) is recognized when earned, support is recognized when receivable, and expenses are recognized when incurred.

Statements of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC)

The Lupus Foundation - Ohio complies with ASU No. 2016-14, Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities, issued in August 2016 by the FASB, which requires a not-for-profit (NFP) to present on the face of the statement of financial position amounts for two classes of net assets (without donor restrictions and with donor restrictions) rather than the previously required three classes. The amendments also enhance disclosures about the amount and purposes of board designations, appropriations, and similar actions and qualitative and quantitative information that communicates how an NFP manages its liquid resources available to meet cash needs within one year of the statement of financial position date. Additional disclosures are required surrounding the amounts of expenses by both their natural classification and the method(s) used to allocate costs among program and support functions.

As required by ASU No. 2016-14, contributions received are recorded as support without donor restrictions or with donor restrictions, depending on the existence and/or nature of any donor restrictions. As of September 30, 2022, net assets with donor restrictions were \$287,896 of which \$87,413 were included in cash and cash equivalents and \$200,483 were included in the receivables. Releases from restrictions in fiscal year ended September 30, 2022 were \$298,550 all of which were released by expenditures.

See accompanying independent auditor’s report.

GREATER OHIO CHAPTER, INC.**

**NOTES TO THE FINANCIAL STATEMENTS – CONTINUED**

**SEPTEMBER 30, 2022 AND 2021**

**NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED**

Statements of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) - Continued

As of September 30, 2021, net assets with donor restrictions were \$185,750, of which all were included in receivables. Releases from restrictions in fiscal year ended September 30, 2021 were \$434,894, all of which were due to expenditures.

The Lupus Foundation - Ohio also complies with FASB ASC 958-605-25, which affects the timing of revenue recognition with regard to donor restricted net assets. For service contracts, if any, where applicable, The Lupus Foundation - Ohio complies with FASB Topic 606, Revenue from Contracts with Customers.

Allocation of Expenses

Expenses are generally charged to the specific program for which they are incurred. In some cases, however, common expenses are incurred which support the work performed under program services as well as for support services. Such expenses are allocated among the various program services and support services based on the relationship of functionalized payroll costs to total payroll. Expenses associated with grant writing and reporting, and other staff time associated with raising funds for Lupus Foundation - Ohio events are shown on the functional expense statement as fundraising expenses.

Depreciation

Property and equipment are depreciated using the straight-line method over estimated useful lives.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of financial statements and the amount of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Contributions and Grants

Unrestricted contributions, if any, are recorded as support when received or receivable. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Grants with donor restrictions are recorded as donor restricted grants when awarded. Some grants awarded to Lupus Foundation - Ohio require the fulfillment of certain specific conditions. Failure to fulfill these conditions could result in either the return of funds to the grantor or the refusal by the grantor to release additional funds pursuant to the grant.

Advertising Costs

Lupus Foundation - Ohio expenses advertising costs when the expense is incurred.

See accompanying independent auditor's report.

**LUPUS FOUNDATION OF AMERICA,  
GREATER OHIO CHAPTER, INC.**

**NOTES TO THE FINANCIAL STATEMENTS – CONTINUED**

**SEPTEMBER 30, 2022 AND 2021**

**NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED**

FASB ASC 740

Lupus Foundation - Ohio complies with FASB ASC 740-Accounting for Uncertainty in Income Taxes. FASB ASC 740 details how companies should recognize, measure, present and disclose uncertain tax positions that have been or are expected to be taken. As such, the financial statements would reflect expected future tax consequences of uncertain tax positions presuming the taxing authorities' full knowledge of the position and all relevant facts, if they existed. The management of the Lupus Foundation - Ohio believes that there are no uncertain tax positions. The Organization's tax years that remain subject to examination by the Internal Revenue Service are September 30, 2018 and forward.

Recently issued pronouncements

From time to time, new accounting pronouncements are issued by the Financial Accounting Standards Board (FASB) and are adopted by the organization as of the specified effective date. Unless otherwise discussed, the organization believes that the impact of other recently issued accounting pronouncements will not have a material impact on its financial position, statements of activities, changes in net assets, and cash flows, or do not apply to the organization's operations.

Investments measured at Fair Value (if any)

Initial valuation - Pursuant to FASB ASC 958-320 and FASB ASC 958-325, The Lupus Foundation - Ohio initially measures investments at acquisition cost (including brokerage cost and transaction fees) if they are purchased. If they are received as a donation, they are recorded at estimated fair value.

Subsequent valuation - The Lupus Foundation - Ohio complies with FASB ASC 958-320, which requires investments in equity securities with readily determined fair value and all investments in debt securities to be measured at fair value in the statement of financial position. As of September 30, 2022 and 2021, The Lupus Foundation - Ohio did not have any Investments.

Valuation hierarchy - FASB ASC 820-10-50 Fair Value Measurements and Disclosures requires categorization of applicable financial instruments into a required fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). For The Lupus Foundation - Ohio, the financial assets and liabilities reported at fair value are based upon quoted prices for identical assets or liabilities in an active market (Level 1).

Date of Management's Review

The Lupus Foundation - Ohio has evaluated subsequent events through January 3, 2023, the date the financial statements were available to be issued.

**NOTE C – CASH AND CASH EQUIVALENTS**

The Lupus Foundation - Ohio considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.
